

# Tower Lodge Motel

## Mission and Environmental Statement

Welcome to Tower Lodge Motel. We hope you enjoy your stay with us and we make it a memorable occasion for you.

During your stay we give you the opportunity to recycle your rubbish by placing cans, bottles and plastic in the appropriate bins by the laundry. We also promote and support turning off all switches of equipment not being used to conserve power. This assists in protecting the environment. As part of our commitment to Responsible Tourism we offer you the opportunity to reuse your towels should you chose to do so to conserve water and power and prevent unnecessary pollution with laundry detergents.

Our laptop computer is available for you to access the news and this will assist in reducing the daily newspaper requirements. We also have bicycles available for you to use while touring our beautiful city.

Thankyou for staying with us and helping to reduce waste and conserve energy. This helps to protect our amazing country for future generations to enjoy
